San Tan Valley, AZ 85143

*Thank You!*

Dear Larry,

We are so grateful for your generous donation of *Asbestos Testing at Habitat for Humanity's Phoenix Office, 115 E Watkins St, Phoenix, AZ 85004*. Because of this donation, the staff at Habitat for Humanity Central Arizona can continue to work in a safe environment.

Having our office determined to be Asbestos free puts the minds of our staff at ease, so we can better serve our families in need. We can also ensure that our families are in a comfortable and safe location for themselves and their children due to the results of the asbestos testing ALM Services has provided for us.

Your gift helps us to remain a place where we can thrive with helping families in need of a decent and affordable place to live. We are truly grateful for you and your staff at ALM Services for guaranteeing that we can continue to reach our vision of everyone having a safe, decent, and affordable place to live!

With sincere gratitude,

*Debra Bradley*
